SELECTED WORK

Campaigns & Projects

Where my art background meets marketing: ideas first, then execution.

PAC-MAN THEME · ADYAR, CHENNAI

House of Cravings

GOAL

Build a memorable identity and pre-launch buzz for a new cafe.

MY ROLE

Helped create the cafe’s retro Pac-Man arcade theme and designed its Instagram posts around it, using AI tools to produce many posts for customer engagement. Launch lines included “Cravings Lead You Here” and “Cravings Unlocked”.

CHEERS MUSIC ENTERTAINMENT

“Pocha” Clay Workshop

GOAL

Give a breakup song a real-world moment people would want to share.

MY ROLE

Helped create the release campaign, including a clay workshop where heart-shaped trinkets were made with Paint Me Happy Studio.

ENTREPRENEURSHIP

Art Stalls

GOAL

Sell my art, put it in front of new people, and build brand awareness through networking.

MY ROLE

Ran every stall solo, end to end: setup, display, pricing, promotion, talking to customers and selling. 500+ orders from my stalls.

PHOTOGRAPHY · CREATIVE DIRECTION

Ponniyin Selvan Inspired Shoot

GOAL

Create a royal, cinematic Ponniyin Selvan inspired look.

MY ROLE

Creative direction and photography: I created the concept, the set and the props, and shot the photos and videos, all with whatever I had on hand.
